GENERAL SUPPLEMENT PROVISIONS

1. When provided, quotations must be submitted on FNMLLC "Request for Quote" PR120C form. If there is not enough space on the form to respond, attach a separate sheet to the form and reference in the body of FNMLLC Request for Quote form that your quote response is attached. Sign and date FNMLLC Request for Quote form.
2. Advise of any exceptions in your quote.
3. Quote any tooling and/or setup charges separately. A detailed tooling breakdown must accompany quotation. All tooling becomes the property of FNMLLC and may not be used for other production without prior written authorization from FNMLLC Purchasing Department. Tooling will be stored at supplier place of business, maintained in good working condition, and subject to periodic audit by FNMLLC.
4. Prices must be valid for a period of 180 days.
5. FNMLLC Supplier Quality Manual applies.
6. Any resultant order may require Government source inspection (GSI) at any time during the life of the contract.
8. Supplier must maintain a good rating to remain on FNMLLC approved supplier list.
9. Quote payment terms, discount for prompt payment, FOB point for each item, and delivery lead-time required to being production.
10. All drawings must be destroyed upon submittal of your response to FNMLLC Request for Quotation.
11. Before award of an order, supplier must supply certifications as prescribed in "Fixed Price Terms for Government Contracting" P-200," when requested by Buyer on FNMLLC approval forms.
